

Ocean City Special Education Parent Advisory Group 2019-2020

Who can join our group and/or attend our meetings?

We encourage any individual affiliated with the Ocean City School District to attend our meetings. Parents/guardians, family members, teachers, therapists, counselors, and other school professionals are all welcome!

What is our purpose?

The mission of OC SEPAG is to work for understanding of, respect for, and support all children with special needs in the community. To that end, we will work to...

*Promote a network of parents of children with special needs and provide the forum to share information.

*Advise the Director of Special Service on the operation and development of special services programs, parent and teacher training needs, and to help develop and review policy.

*Promote communication and programs within the community to encourage understanding, acceptance and inclusion.

*Provide information forums to parents, educators, students and professionals.
