

## **Ocean City Special Education Parent Advisory Group 2018-2019**

Join our group to share ideas, insights, and information...  
Together we can strive to provide a positive school experience for **EVERY** student by promoting a focus on education, overall health, fitness, extracurricular activity involvement, inclusion AND acceptance!

### **What is our purpose?**

The mission of OC SEPAG is to work for understanding of, respect for, and support all children with special needs in the community.

To that end, we will work to...

\*Promote a network of parents of children with special needs and provide the forum to share information.

\*Advise the Director of Special Service on the operation and development of special services programs, parent and teacher training needs, and to help develop and review policy.

\*Promote communication and programs within the community to encourage understanding, acceptance and inclusion.

\*Provide information forums to parents, educators, students and professionals.

### **Who can attend our meetings?**

We encourage any individual affiliated with the Ocean City School District to attend our meetings. Parents/guardians, family members, teachers, therapists, counselors, and other school professionals are all welcome!
