

Taking the Advanced Placement exams is an important part of all AP courses. Ocean City High School desires that all students take AP exams for the AP classes in which they are enrolled. Scoring well on an AP exam can often earn the student college credit for their high school class, thus saving a significant amount on tuition.

For the May 2021 AP exams, students will need to order AND pay for their exams by October 30, 2020. The cost per exam is \$95. ***No exams will be ordered after this date.***

**Steps to take:**

1) Students will receive a unique “join code” from their AP teacher(s) and directions about signing into their College Board account. \*Students will use the join code to enroll in their AP course and then note whether they plan on taking the exam.

2) College Board has made no advancement in collecting payment for exams so OCHS will use Total Registration. This payment window will begin on Friday, September 25th at 12:00am and end on Fri October 30<sup>th</sup> at 11:59 PM. In order to register, students should click on the link provided on the school website or visit [www.TotalRegistration.net/AP/311045](http://www.TotalRegistration.net/AP/311045) to complete payment. Students must answer all of the required questions. Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end that confirms payment. We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.
