

## HIGH SCHOOL VOLUNTEERS NEEDED!

The Upper Township School District  
is looking for  
student volunteers for our  
Summer Enrichment program.

If you like to play math games or read  
stories  
with children, this is a great opportunity for  
you.

We will have volunteer opportunities  
from July 6- August 5.

We ask that each volunteer commit to one  
2 hour shift a week for the five week  
program.

The shift times are 8:30-10:30 OR 10:30-12:30.  
Volunteers will work with children who are in  
Kindergarten through Seventh grade.

If you are interested or have  
questions, please email Mrs. Jessica
