Hello OCIS families:

Welcome to the Ocean City Intermediate School! We realize that the transition to a new school can be a little nerve-racking for students as well as their families. We would like to help make this transition as seamless and as exciting as possible. As we begin our journey together, I would like to invite you and your child to attend our New Student Orientation on Wednesday, August 25th. Families will hear from administrators and staff members and students will take a tour of the school.

Please enter the building through the front doors and report to the Multi-Purpose Room at 10:50 AM. We will begin at 11:00 AM. The orientation program should last approximately forty-five minutes.

Please make every effort to attend this informational program. Becoming familiar with their new school should go a long way in providing your child with a boost of confidence for their first day and will likely help to ease their transition to the Ocean City Intermediate School.

We look forward to seeing you and your child on Wednesday, August 25th, at the Ocean City Intermediate School.

Thank you.
