Atlantic Cape Community College Dual Credit Registration Form & Instructions

1. If you have never applied to Atlantic Cape Community College, visit www.atlantic.edu/apply. Create an account and complete the High School application. If you have applied previously (even if you didn't take a course), skip to Step 3.
2. You will receive an acceptance letter with your student ID number, login credentials, and other important information that you will need to review.
3. Fill out this registration form neatly with the Atlantic Cape course information. Refer to your school's list of contracted courses if you are unsure of any course information.
4. Read the Student Accountability statement and sign the form. Have a parent/guardian sign the form as well.
5. Turn this form into the designated guidance department official by the date specified by your school. **Atlantic Cape is only accepting this registration form from the guidance department.** Please note that this form is due to Atlantic Cape Community College by November 1, 2021 by your guidance department. Late forms will not be accepted.
6. If, at any time, you need to drop or withdraw from your Dual Credit course, you must fill out this form again and put an "X" or check mark in the drop column.
