BOARD OF EDUCATION REGULAR MEETING

In accordance with Board Policy 0167 (Public Participation in Board Meetings), the Board of Education has opted to include Public Comment as a portion of the Regular Board of Education Meeting. Public Comment is offered prior to Board of Education vote on agenda items and again at the close of the meeting. Residents shall be given approximately 3 minutes to share their thoughts. The initial Public Comment opportunity is a courtesy to provide accommodation to citizens that wish to speak on agenda items only and do not want to wait until the end of the meeting. If a citizen speaks during this time, permission will not be granted to speak again on the same issue or at the end of the meeting.

Upon recognition by the Board President, speakers shall come to the podium and give their name and address for the record. All persons are expected to engage in respectful and orderly discourse. Persons entering into personal, impertinent, or slanderous discourse or persons who become boisterous, disruptive or unruly during the discussion, shall, at the discretion of the Board President or at the objection of Board of Education members, forfeit their remaining time to address the Board of Education.

Statements to the Board of Education should be addressed through the Board President. If your comments pertain to litigation, students or personnel matters, the Board asks that you see the Chief School Administrator after the meeting since the Board does not, pursuant to the Open Public Meetings Act, discuss or respond to these items in public.

Meetings of the Ocean City Board of Education may be recorded and posted on the District's website for public viewing or recorded in accordance with Board of Education Policy 0168. Members of the public attending and/or participating at Board of Education meetings are advised that their image and/or statements may be included in these recordings.
