

May 1, 2024

Dear Ocean City School District Family,

April was a busy month for our students with many programs and activities highlighting their accomplishments.

Our Primary School students hosted a variety of activities for the annual [Earth Day celebrations](#). Students brought in their projects which encouraged everyone to respect our environment. Ms. Schmid's classes put on a show, "[Clever Ana and the Greedy Giant](#)." The performance was enjoyed by the parents and other students.

At the Intermediate School, students celebrated [Autism Awareness Month](#) with an essay contest sponsored by the PTA. The members of the Fishing Club visited the [Pequest Trout Hatchery](#) to observe the operation. Students are busy working on the vegetable gardens with planting of watermelons, tomatoes, and other vegetables.

The High School produced a successful spring play, "[Legally Blonde](#)" to rave reviews. Over 50 students participated in areas including actors, stage crew, costumes, and production. Each performance left the audience entertained and impressed. Forty-three members of the [DECA](#) team participated in the regional competition in Cherry Hill and won 36 awards. Categories included marketing, finance, tourism among others. The winners will now be eligible to compete in the States to be held in Atlantic City.

All of the activities demonstrate that our students and staff are involved, active and learning.

Sincerely,

Terrence J. Crowley

Terrence J. Crowley
Interim Superintendent
